NO DEALINGS WITH CATHOLICS

Fathers Maloney and Buysse Retaliate—Twenty Prominent Protestants on the List.

JACKSON, March 17.—There is a religious war now on in this city which is rapidly developing into huge proportions, and the outcome of which cannot be predicted. The Patriotic Sons of America, essentially an anti-Catholic organization, has a membership in this city of about 800. A week or so ago one of its members, who had been trading with a Catholic grocer, said that he would be compelled to withdraw his patronage. He had been a good customer and the grocer insisted on knowing his reasons. The member explained that he belonged to the Patriotic Sons of America, which prohibited his trading with a Catholic. The grocer took his grievance to the Rev. Father Maloney. The latter was aroused and concluded to retaliate. Last Sunday morning he read from the pulpit in St. Mary's church the names of twenty business men who were protestants and positively forbade that any Catholic should spend a cent with them. The Rev. Father Buysse did likewise. This has spread through the city like wildfire. The Protestant churches have either taken the matter up or contemplaned taking it up. The membership of the Patriotic Sons of America is increasing fast. The people are choosing sides, and are either Catholic or anti-Catholic. Hot discussions occur daily, and the spark of religious discord is being slowly but surely fanned into a flame which it will be hard to quench.

WILD WITH LIQUOR.

Half-Naked Man on the Streets of Detroit at Midnight.

DETROIT, March 17.—"There she is in that car! Stop it! Stop it!" About 1 o'clock this morning a young man was running on Fort street west near Seventeenth, yelling like a madman. His wild behavior was made more startling by the fact that he had on neither coat nor vest, his white shirt being his only protection from the cold night air. After chasing the car some distance he stopped and said: "No, no, she isn't there. She's gone to Canada." A policeman took the young man to the police station, where he said his name was John Claypool. To Justice Sheehan this morning John said he had been married only three weeks, and had been passing the honeymoon at the corner of Baker street and Wabash avenue.

"My wife left me two days ago," he said, "and I've been looking for her ever since. I've had the police helping me, but couldn't get her."

Justice Sheehan thought too much drunk was the cause of John's trouble, and he gave the prisoner \$5 or 30 days.

COLDWATER BANK ROBBERY.

COLDWATER, Mich., March 17.—This bank was burglarized and robbed during the night of the 2nd inst. of about twenty thousand dollars, consisting of \$14,000 in currency, \$10,000 of which was in new legal tenders, \$4000 in gold, and \$1000 in silver. The gold coin found on the floor of the vault was scratched, marred and bent, and the paper is probably mingled and soiled, as a result of the explosion of nitro-glycerine used in breaking the safe. There were also taken from the safe forty "deferred" bonds of the Philadelphia & Reading Railroad company, for the sum of \$1000 each, and numbered 375 to 399 inclusive; 1714 to 1726 inclusive, and numbers 1733 to 1734. Brother bankers will do us a favor by forwarding to their prominent correspondents copies of this circular. D. B. Dennis, president.

All the Way From Wayland.

WAYLAND, Mich., March 17.—The golden wedding of Mr. and Mrs. Ezra Whitney, at Bradley on the 14th inst., was a very happy affair. About forty relatives were present besides many invited friends. Valuable gifts were presented. Political caucuses and office-seeker talk is the order of the day. Candidates are numerous, and many are anxious for a bite at the public crib. A new Methodist church building is soon to be built at Moine. Twenty-two new members were initiated into the Good Templars' lodge at Wayland at one time. The ladies of the W. R. C. at Wayland gave a chicken pie social on Wednesday evening at Chapple's hall. Eighty-five numbers were sold, and three of them were lucky in drawing three fine quilts, which the ladies had on exhibition. Prof. E. N. Vroman of the union school has been re-engaged for the coming school year at an advanced salary.

Death in a Plaster Mill.

GRANDVILLE, March 17.—About 10:30 last night William Hammond, an employee at the plaster mill, while attempting to put a large ball on a pulley while in motion, failed, the ball wrapping around the shaft and wheel, and throwing Mr. Hammond into the lower

limbs and a part of the body, causing almost instant death. He was about 25 years old and single. An inquest will be held tomorrow at 2 p. m. He leaves many relatives and friends to mourn his sudden taking off.

More of the Mathieu Failure.

The officers of the company reside in Detroit. J. A. Mathieu being president. Business men of this place hold orders of the company aggregating about \$2500, all of which are unsecured. The Gaylord Iron company will continue the business, which is the making of chemicals, charcoal, and acetate of lime.

Driven to the Wall.

DETROIT, March 17.—Jean A. Mathieu, owner of a wood alcohol refinery in Rivard street, assigned yesterday to the Union Trust company. His liabilities are about \$50,000, while his assets cannot now be estimated, but his creditors will probably be paid in full. The People's savings bank is a creditor to the amount of \$4000, but is amply secured, and several other Detroit banks also hold some of his paper. He is an indorser for \$5000 on notes of the Wood Extract company of Luther.

Cutting Salaries.

HUBBARD, Mich., March 17.—There is a pretty mess in the village council just now. The village is \$2000 in debt, and at the first meeting of the city fathers last night, they commenced economizing by cutting from \$25 to \$10 the salary of the treasurer, who is under \$8,000 bonds. This has made the treasurer hot, and he will resign. Marshall Wyckoff and other village officials openly aver that if their salary is reduced one farthing, they will also resign.

Perhaps will be in Chicago, perhaps be somewhere else. I will never come back and never live with you again." At the same time Mrs. Joseph Radeaux received the following epistle from her spouse, who is supposed to have eloped with Mrs. Rivet: "Sell your household goods and get along as best you can for you will never see me again and around the world we go." Both missives were mailed at Chicago. The culprits left Bay City last Monday.
